Bonn, 2026

Hello,

Take part in the „Leben in Deutschland“ study!
For 40 years, the study has been investigating how people in Germany perceive their economic and social situation and how satisfied they are.

What's in it for you?

Your opinion is particularly important so that we know what people with an immigration history think. As a thank you, you will receive 5 euros today and additional 30 euros after you have participated in the survey

Further information and questions

You were randomly selected to participate. Your data is secure and anonymous - details can be found on the enclosed data protection sheet. Further information can be found in the flyer. If you have any questions, please do not hesitate to contact us using the contact details above.

Thank you for participating!
